BART J. CARROLL WILL COACH HAMILTON FOOTBALL

Famous Colgate Gridiron Star Signs Contract With Dr. Ferry—Will Also Have Charge of Basketball and Track on the Hill.

CARROLL FORMERLY COACHED FOOTBALL AT ST. LAWRENCE

Had Great Record at Colgate—Was Varsity Center for Four Years—Maroon Football Captain in 1917

Bart J. Carroll of Massena, N. Y., one of the greatest of gridiron centers in his undergraduate days at Colgate University under the famous Larry Bankhart and coach of the strong Maroon line of last season, has been named coach of the Hamilton College football squad for the coming year. Word to this effect was contained in a telegram received last Wednesday from President Ferry, who, after a conference in Iowa, obtained Carroll's signature to a year contract.

Carroll, now on a western trip, will report on the Hill about the middle of March to hold spring practice. As successor to J. Howard Berry, he will be head coach of the Buff and Blue football squad and will also have charge of basketball and track. He will be a member of the college faculty in the capacity of associate director of athletics and physical training.

From the time that Carroll announced that he would not return to Colgate next year, attempts were at once made to secure his services for Hamilton. Recommendations of the highest order were received from Colgate and from St. Lawrence where he had coached for two years. The announcement that Carroll had accepted the position was received with delight by the faculty, alumni and undergraduates, who feel that his selection will advance athletics at Hamilton.

Bart Carroll was graduated from Colgate University in 1918. He captained the Colgate football team of 1917, and played four years as Varsity center. While at college, he had the reputation in gridiron circles of never having made a poor pass, and of never having missed a minute of play during his four years on the Colgate squad. Carroll left college in 1917, entering Camp Dix, and later going to an officers' training camp. While in service, he played excellent football on one of the army teams. He returned to Colgate in 1918, and completed his course the following year.

Upon leaving Colgate, Carroll coached at St. Lawrence University where he turned out the best teams that institution has ever had. In his first season, the St. Lawrence team won three out of five games, scoring victories over Rochester, Buffalo, and Hobart. In 1920, Carroll's coaching methods proved unusually successful and his well drilled eleven had a record of six games won and two lost. St. Lawrence scored 165 points to 34 for opponents, defeating St. Stephens, Rochester, Buffalo, Hobart, Middlebury and Clarkson Tech.

During the 1921 season, he was line coach for Colgate, a position he filled with credit. The Maroon had one of the strongest lines they have had in years, as was often shown in the big games of last season. Hamilton's

PRESIDENT FERRY SPENDS VACATION IN CALIFORNIA

On Monday, Feb. 13, Dr. Ferry left for an extended tour of the West. The President was unable to enjoy a good vacation during the summer months, so he has taken the time now for a few weeks of needed rest. His first stop was at Chicago, where he remained for two days, part of which time was spent in securing the services of Bart J. Carroll as athletic coach for Hamilton during the coming season. From Chicago, Dr. Ferry took the Santa Fe route to the Grand Canyon. He remained in the vicinity of the Grand Canyon for two days, arriving in Pasadena yesterday.

Tonight President Ferry will address the annual meeting of the Alumni Association of Southern California. It was the invitation of this organization to attend the banquet that influenced Dr. Ferry to make the Western trip at this time. He will remain in California for about eight days. President Ferry has been invited to deliver an address at Pomona College, Los Angeles, but it is doubtful whether he will accept the invitation.

Dr. Ferry will leave Los Angeles by the Southern Pacific and return home by way of the southern route. He expects to stop over at New Orleans and Atlanta for a few days to visit with friends. From Atlanta he will come up to Washington and stay there a day of two before leaving for Clinton. President Ferry will be back on the Hill sometime during the week beginning March 5th.

HAMILTON WINS CLOSE GAME

Capt. Stern and Men Trim R. P. I. Quintet in Exciting Contest—Foul Point Deciding Factor

SCORE 30-29

In a game full of thrills and excitement, the Buff and Blue basketball team defeated the strong Rensselaer Polytechnic Institute five last Saturday night in the Soper Gymnasium by the close score of 30-29. The Buff and Blue held a one-point lead at the last half-minute of play. Then Hamilton fouled and the referee's whistle and the timer's horn blew simultaneously, giving R. P. I. a chance for a free-throw. Tully, R. P. I.'s crack foul shooter, who had made eight out of ten free-throws in the first half, took the ball, and, after a slight hesitancy, let it go. The ball hit the rim of the basket, bounced over to the other side, and finally toppled out.

In the first half of the game, McGiffin made a goal in the first few minutes of play. Hamilton at once took the lead. Then R. P. I. rallied and was never headed until the last five minutes of the game. Both teams passed a great deal. Hamilton's passwork was better directed, Stern carrying the ball rapidly down the floor and into the hands of the Buff and Blue forwards. Several times the R. P. I. guards stalled around with the ball, waiting for their forwards to break for the basket, but these plays were rarely successful.

Starting the second period with the score 18-14 against them, the Hamilton quintet completely outclassed the Engineers in the last half, tallying sixteen points to their opponents' eleven. In the first few minutes of play, R. P. I. increased her lead. With the score 26-18 in favor of R. P. I., McGiffin and Garner started a rally, running up nine points with foul shots and field goals. Tully dropped in one for R. P. I. and McGiffin again evened the score with a foul shot. A few minutes later the Hamilton forward repeated with a shot from the fifteen-foot line which made the score 30-29. Tully missed a chance to tie the score in the last few seconds of play.

Stern's tornado dashes down the floor, his accurate passing, his careful guarding, and timely goals made him the star of the game. McGiffin, the greatest point-winner for the Buff and Blue, also starred, scoring ten points in the second half. Garner has been suffering with a sprained ankle, but played his usual stellar game, carrying the greatest burden of the passwork in an accurate and aggressive manner. Tully, for R. P. I., was high scorer of the game, tallying five field goals and nine out of fifteen free-throws.

BUFF AND BLUE HOCKEY TEAM TRIMS COLGATE AND CLARKSON

Hamilton Skaters Win Two In a Row—Colgate Meets Defeat In Listless Game—Clarkson Tech. Smothered by Large Score.

Displaying a much superior brand of hockey, both in team-work and in individual playing, the Buff and Blue ice team defeated Colgate by an 8 to 1 score. The Maroon team was completely outclassed from the moment the game started and in only a few instances did they offer much resistance to the Hamilton sextet.

Hamilton jumped into the lead soon after the start of the game when Yates slipped the puck past Gormley. After the first goal the Colgate six played on the defense for the rest of the game. Early in the second period, Sanford, the Maroon center, showed a flash of ability when he succeeded in breaking through the Hamilton defense to score Colgate's only goal. On the other hand the entire Buff and Blue aggregation showed up very well, skating faster and playing with better team work than their opponents.

Yates accounted for Hamilton's first goal soon after the game started. From then until just before the end of the period the Buff and Blue team was held scoreless. But with about two minutes to go Watson Thompson succeeded in caging the puck for the second tally of the game.

At the opening of the second period, Hamilton started offi with a rush and after a minute of play, Marlow after taking the puck through the entire Colgate team suceeded in placing the rubber in the cage for the third score of the game. Sanford then made Colgate's only score of the game, but the Buff and Blue sextet more than evened matters by scoring twice more before the period closed, Yates and Thompson each making a count.

Soon after the beginning of the third period, Sanford was injured but after a few moments of rest he was able to resume playing.

Throughout the entire period the Maroon was entirely on the defense and tried only one or two long shots at the Hamilton goal. In this period W. Thompson scored twice and R. Thompson caged one goal, to finish the scoring.

The entire Hamilton team played much better in this game than in previous contests and showed the best pass-work that has been seen all season. Sanford and Gormley were the individual stars for Colgate. It was only the good work of the goal tender that kept the score as low as it was.

The Buff and Blue skaters defeated the Clarkson Tech aggregation last Saturday afternoon by a 12-2 score. The ice was in good condition, but the game was not as fast as has been seen on the Hill this year. Watson Thompson displayed more than his usual skill. He scored eight of the twelve points that Hamilton made, making three goals in the first period, two in the second and three in the third. Russell Thompson made two goals, and Marlow and Yates each made one. Half of Hamilton's goals were made in the last period. The whole team played a steady game, and the team-work in checking back was very good. Of the visitors Johnson played the best game. Dillon made both of Clarkson's goals, but his work seemed to be streaky.

Hamilton outclassed the Clarkson sextet in every way. The Clarkson team was late in arriving, and the start of the game had to be delayed over an hour.

The referee's whistle sounded shortly after four o'clock. Clarkson took the puck first, but Watson Thompson recovered it and shot the first goal of the game in less than two minutes and a half. The puck was put in play again and a minute later Thompson scored another. Clarkson then tightened its defense, and the Buff and Blue team was unable to score until the end of the period. Then Russell Thompson carried the puck up the ice and passed to his brother from behind the cage, and "Tommy" quickly shot it past Comboy, the Clarkson goal guard.

The first goal in the second period was made by Watson Thompson, seven minutes after the whistle sounded. He took the puck through Clarkson's entire line of defense and had a clear shot for the goal. On the next play, Dillon, of Clarkson, made a long shot and scored Clarkson's first point. Then Russell and Watson Thompson each made a goal before a minute had elapsed. Three minutes later, Dillon shot a second goal. In this period Bates substituted for Reeder.

In the third session, Hamilton had possession of the puck most of the time. In two minutes R. Thompson had scored by a long shot. Then Marlow scored, and soon after, W. Thompson scored three in quick succession. Yates made the last score of the game at the end of twelve minutes. In this period Price substituted for W. Thompson, Marks for R. J. Reeder, and R. G. Reeder went in again for Marlow.

The Ideal College Man.

What is the ideal type of college man? Is there such a thing as a Hamilton type? If not, is it worth while trying to develop one? These are questions each undergraduate should ask himself. Our college is growing, each year it is becoming better known as a conservative institution of classical leanings but progressive and enlightened policy. What kind of men, then, shall we send out from the Hill to represent Hamilton in business and professional life?

There are two things every man ought to get out of college during his four year course: the habit of intense concentration on whatever activity, mental or physical, he might seek to engage in, and the ability to mix with other men, to exchange ideas, to broaden standards. One man may possess the qualities which make a successful student. Another by bulk or brains or both combined may be a valuable asset to an athletic team. Still another may have the social gift developed to an extraordinary degree. Each man should contribute something to the others and develop in himself qualities which he notices in others and which he himself lacks.

This one thing is sure, that, from Adam's time 'till now, no human being has ever discovered a satisfactory substitute for hard work. A college man, a Hamilton undergraduate should be first of all a worker. By that we mean he should apply himself earnestly enough to his studies so as to secure something more substantial than a mere "gentleman's grade" for a semester's work. Many men come to college with no definite purpose in view. Perhaps they seek a higher education merely because they have been told that it is "the thing to do", that a college degree is worth something in the larger world of affairs. But they come to the Hill drifters, as drifters they spend four years with more or less perfunctory attention to studies, drifters they go out from their Alma Mater into the various activities of every-day life. They are little better fitted to grapple with their fellows in the fierce competition of modern business than if they had never gone to college.

Another prime requisite of an all-around man is a desire to take part in some kind of athletics, to make a Varsity team. The best way to develop Hamilton spirit is to go out on the gridiron, diamond, or track, and bend every effort to help turn out not a winning team alone, but a fighting team. Some men in college admittedly avoid every form of physical exercise. Such undergraduates are more to be pitied than condemned. They are missing one of the greatest things in college life and don't know it.

Beside the ability to enter wholeheartedly into both the intellectual and athletic phases of undergraduate existence, the ideal Hamilton man should cultivate the desire to meet men and mingle with them on a common ground. It is a bad thing to make friends exclusively in your own fraternity or class. It is far better to be not merely a fraternity man, a member of some particular clique or faction, but one who meets all, knows all, and is liked by all.

Hamilton will be immeasurably benefited if we can develop on the Hill a type of man who grows mentally during his four years of college life, who participates actively in undergraduates affairs, and who convinces every one he meets of his genuine good-fellowship.

NEW TENNIS SCHEDULE IS ANNOUNCED

University of Southern California on List—Stan Welsh, ex-'23, Will Play on Local Courts

Manager Dewitt has announced the tennis schedule for the coming season. Ten matches, including one exhibition match, the complete arrangements for which will be made later on, face the Buff and Blue racquet wielders.

It is of the greatest interest to Hamilton men that the tennis team is to meet the University of Southern California. This team is captained by "Stan" Welch, ex-23, who was perhaps the best tennis player that ever represented the Buff and Blue. Welsh has worked hard for some time to secure a game with Hamilton, and, as a result of his efforts, the contest has finally been included in an extensive eastern trip which the California team is to make in the spring. Hamilton is one of about thirty colleges to be met on this trip.

As soon as weather conditions permit, the courts will be put in shape and the remaining matches in the college singles tournament will be completed. Varsity practice will begin at the earliest possible date. Captain Getman will be confronted with the problem of building up an almost new team, for besides himself Acebron is the only man in college left from last year's team. The schedule follows:

May 4—Colgate at Clinton.
May 6—Exhibition Game.
May 13—Union at Clinton.
May 17—Syracuse at Clinton.
May 20—Union at Schenectady.
May 24—Syracuse at Syracuse.
May 25—U. of Rochester at Rochester.
May 27—R. P. I. at Troy.
May 30—University of Southern California at Clinton.
June 3—St. Lawrence at Clinton.

Does your P. M. schedule read like this?

If your burning ambition is to excel as an all-around society man, you couldn't have planned your evenings better. Such persistence will win out over the indolence of the rank and file, for as the poet says,

"The heights by great men reached and kept
Were not attained by sudden flight,
But they while their companions slept
Were toiling upward in the night."

But if you intend to make your mark in engineering or business, don't expect that supremacy on the waxed floor will help when you start hunting a job.

Not that you need swing to the other extreme as a "grind" or a hermit. Let's concede it is all right to minor in sociabilities—but certainly it is only common sense to major in the math and sciences and English that will mean bread and butter to you later on.

Remember this—the harder you work right now in getting a grip on fundamentals, the easier things will come to you when you must solve still bigger problems. And if you take it easy now—well, look out for the law of compensation.

It's up to you. While you've got the chance, seize it, dig in, plug hard. It will pay—in cold cash.

Y. M. C. A. NOTES

Of the ten moving-picture films contracted for this term by the Y. M. C. A., five have already been shown at Commons. The pictures were secured from the Famous Players-Lasky Corporation. Some of the greatest stars of filmdom have appeared on the local screen, among them Betty Compson, Wallace Reid Charles Ray, Enid Bennett, and Ethel Clayton. The five pictures already contracted for but not yet shown are "Sick Abed" starring Wallace Reid and Bebe Daniels, "Twenty-three and a half Hours Leave" with Douglas MacLean and Doris May, "Hairpins" with Enid Bennett, "The Valley of the Giants" starring Wallace Reid, and George Loane Tucker's famous production, "The Miracle Man."

The college may be interested in the fact that the biggest drawing card among motion pictures shown on the Hill this winter was the Penrhyn Stanlaws production of "The Little Minister," starring Betty Compson. This favorite will appear again in March as the star of "The Miracle Man".

The Y. M. C. A. has started a new drive for memberships. Every man in college, who has not subscribed, will be approached by some member of the Y. M. C. A. cabinet. Representatives of the "Y" have also asked for subscriptions from the faculty, and so far the response from the professors has been highly satisfactory.

The last note for the Hamilton-in-China fund has finally been paid off by the treasurer of the Y. M. C. A. The "Y" officials are very glad that this matter has been satisfactorily settled at last. The present administration had inherited the deficit from last year.

About thirty men gathered in Silliman Hall last Wednesday evening and heard an interesting talk by Mr. McConaghy of Princeton Theological Seminary. The speaker had had much experience working in the foreign sections of industrial cities and was able to give his audience some first-hand information about the immigrant. He urged the necessity of college men engaging in social service wook, asserting that the vital need of Christianity was new blood in the church. Mr. Mc Conaghy is a graduate of Bowdoin and an ex-service man who served for two years in the late war. He possessed an interesting personality and all who heard him speak were impressed with his earnestness.

MURRAY OF N. Y. ATHLETIC CLUB TO FENCE ON HILL

Hamilton men will be afforded an opportunity to see some first-class fencing next Saturday night after the hockey game when Mr. James Murray, coach of the New York Athletic Club meets Coach Gelas in several bouts in the Hall of Commons. Admission will be free. The bouts, which will last six minutes each, will include contests with foils, duelling swords, broad swords, and single sticks. In addition to the fencing there is to be a novelty musical act and the quartet will sing. There will also be a "slow action" movie of various athletics. The fencing squad is largely responsible for getting Mr. Murray to come here.

Mr. Murray is a member of the Academy of Arms of Paris, and instructor of fencing at Columbia University. The Columbia team was intercollegiate champion in 1921 when he coached it. Mr. Gelas was formerly an instructor at the Normal Military School of Fencing and Gymnastics at Joinville-le-Pont, France.

The Hamilton-Williams debate will be held in the Chapel on Friday evening.

MUSICAL CLUBS TO GIVE TWO CONCERTS IN MARCH

Manager George, '22, of the Musical Clubs has recently returned from a western trip, at which time he made definite plans for the tour of the Clubs during the spring vacation. All the dates have not been definitely settled upon as yet, but engagements have been made in Syracuse and Buffalo, with prospects of a concert as far west as Youngstown, Ohio. The remainder of the itinerary will be made up of intermediate western cities, to be announced later.

Two concerts, one in Clinton and the other in Utica, have been scheduled, prior to the spring trip. On Thursday evening, March 2, the Musical Clubs will play in Clinton at the Scollard Opera House. The concert will be given under the auspices of the Library Association. The annual Utica concert is scheduled for the evening of March 29.

Tryouts for the opening left by Maynard, '24, in the quartet were held Thursday night after the Glee Club rehearsal. R. Thompson, '25, has been chosen to fill the place. The Glee Club has begun work on two new songs, "Mammy's Lullaby" and "The Winter's Song", which are to be used on the spring trip.

FROSH TRIM SOPHOMORES IN HOCKEY GAME

In a very evenly matched hockey game last Wednesday afternoon, the freshman six defeated the sophomores by a 3-2 score. Due to the fact that neither team had had any practice together, there was a noticeable lack of team work. Bradley scored the first goal for the freshmen, and Brush soon followed with the first tally for the sophomores. A few minutes later, Holley scored, giving the sophomores a 2-1 lead at the end of the period.

The second half was much faster than the first. The freshmen woke up and went after their rivals with a vengeance. Some fast skating and clever work with the stick brought them within range of the sophomore goal. Gray, freshman center, shot the puck in and tied the score. Within a short time, Towne made a goal, putting the freshmen ahead.

Gray was the freshman star while Brush and Meehan played well for the sophomores. The line-up:

SOPHOMORES		FRESHMEN
	Left Wing	
Lent		Bradley
	Right Wing	
Holley		Richards
	Center	
Brush		Gray
	Left Defense	
Meehan		Farrell
	Right Defense	
E. Smith		Welch
	Goal	
Marks		J. Lewi

Substitutions—Sophomores, Alison for Smith, Carusone for Holley. Freshmen, Wehnau for Gray, Gray for Wehnau, Towne for Bradley. Goals: Brush 1, Holley 1, Gray 1, Bradley 1, Towne 1. Referee, Coach Prettyman.

DEPARTMENTAL CLUBS

German Club

The German Club held their first regular meeting of the new semester at the Emerson Hall last Thursday evening. The following men were elected officers of the organization: H. Hartness, President; R. Chastney, Vice-President; E. Stuart, Secretary-Treasurer. The club decided to produce two plays in the spring, one, "Meisterschaft," a comedy by Mark Twain, and the other Benedix' clever skit, "Versalzen." The cast of "Meisterschaft" includes: Mrs. Blumenthal, Severin, '22; Gretchen, Chastney, '23; Annie, F. Hincke, '22; Margaret, Ibbotson, '22; Mr. Stephenson, Hartness, '22; Will, W. J. Woods, '22; George, Stuart, '23. The cast of "Versalzen" has also been announced as follows: Ulricke, Stern, '22; Hertha, Euler, '23; Trudchen, Kelly, '22; Wittkow, Edie, '22; Arnold, McGiffin, '23; Seeberg, Smith, '22.

The club's next meeting will be held March 1 at the home of Prof. Hauch in Clinton.

Latin Club

The Latin Club met last Monday evening, Feb. 13, at the Beta Kappa house. R. Culver, '24, and F. H. Wood, '24, read papers dealing with the life and times of Augustus. A general discussion followed, all members of the club taking part. Prof. Rogers will entertain the organization at the Faculty Club on Monday, Feb. 27. At that time K. Morgan, '22, and L. Carusone, '24, will discuss the lives of Nero and Tiberius. The club is stuyding the history of the Roman Empire from the time of Augustus to that of Trajan.

LEADING ALUMNUS DIES AFTER LONG ILLNESS

H. Murray Andrews, '99, Was Prominent as a Lawyer—Had Been Trustee of College Since 1912

H. Murray Andrews, '99, one of the most distinguished of Hamilton's younger alumni, died last Friday morning after a long illness. Mr. Andrews had been critically ill for several months, having been stricken more than a year ago with a cancer of the spine. In spite of the best medical attention, his condition steadily became worse until the end came on Feb. 16.

One of the most active Hamilton alumni, Mr. Andrews was also well known as one of the prominent younger lawyers of New York City. He was also connected with various business enterprises and up to the time of his illness held the position of general land and passenger agent of the Erie Railroad. In 1912, Mr. Andrews had been elected to the Board of Trustees of the college for a term of fourteen years. Until disabled by his illness, he was often seen on the Hill and was always active in promoting the welfare of the college.

Henry Murray Andrews was born in Rutland, N. Y., February 28, 1875, the son of the late Henry and Cecilia Andrews. He was prepared for college at the State Normal School at Pots, dam, and, entering Hamilton, was graduated in 1899 as the salutatorian of his class. Mr. Andrews while at college was prominent as an orator and student He was a member of the Delta Kappa Epsilon and Phi Beta Kappa fraternities.

Upon his graduation from Hamilton, Mr. Andrews studied at the New York Law School, being awarded a degree of L.L.B. in 1904 at the completion of his course. He rose rapidly in his profession. and soon became one of the leaders of the New York bar. His practice was large, and Mr. Andrews handled many important cases, always showing ability and shrewdness.

Mr. Andrews was married April 21, 1908, to Miss Josephia Millham of Rochester. He is survived by his wife and two daughters. The funeral was held last Friday night at the Fort Washington Collegiate Church.

—Evan E. Jones, '16, has been elected superintendent of schools at Mechanicsville, N. Y., and has tendered his resignation as principal of the Tappan Zee High School at Piermont, N. Y., to the Board of Education there.

—John M. Kingsbury, '20, was married to Miss Marion E. Fearon of Oenida Castle on Feb. 5. The ceremony was performed at the home of the bride's mother, Mrs. W. W. Lewis, and in the presence of immediate relatives. Mr. Kingsbury is employed by the Tamble and Brown Company of New York City.

BUFF AND BLUE LOSES TO OBERLIN

Western Five Wins in Last Few Minutes of Play—Visitors Score Heavily with Long Shots

SCORE 25-22

The Buff and Blue dropped a hard-fought and well-played game to Oberlin College last Friday evening on the home floor by the close score of 25-22. Hamilton secured the lead in the early part of the game, but superior passwork and their ability at long shots brought Oberlin to the front, aided by the excellent foul-shooting of Capt. Wheeler, who caged nine fouls out of ten attempts. In the second half, with the score standing 10-16 in favor of the visitors, Capt. Stern led his men in a game fight to overcome the lead, but lost out by the narrow margin of three points.

The game started off with a long shot by Wood from the center of the floor. A basket by Capt. Stern and two fouls by McGiffin put Hamilton in the lead. Oberlin followed with a foul and a basket by Nyse, which put them ahead. McGiffin then caged a long shot from the left center of the court and made the count 7-5 with another foul shot. Oberlin regained the lead with a basket and four fouls, and from then on Hamilton was never quite able to forge ahead. The half ended with the Buff and Blue on the short end of a 16-10 score.

In the second half Warren went in as right forward in place of Hatch. The Buff and Blue scored first on a foul by McGiffin. A rally by Oberlin brought the visitors' score up to 24, while the Hamilton quintet only reached the 14 mark. At this point Capt. Stern led his men in a brilliant rally involving clever passing and the caging of several long shots until the Hamilton score stood at 22. Finally Capt. Wheeler of Oberlin shot a foul, making the count 22-25 with four seconds to go. Although fighting hard, Hamilton was unable to score another point and the final bell found the score 25-22 in favor of Oberlin.

Capt. Wheeler and Nyse excelled in floor work and scoring for the visitors, the shots of Nyse being chiefly of the long distance variety. Capt. Stern and McGiffin featured for Hamilton.

The score:

CARROLL, FOOTBALL COACH

(Continued from page 1.)

new coach was honored by Dr. Ellery C. Huntington, physical director at Colgate University, by being selected a member of the All-Colgate team. During his collegiate career he was also nominated for various All-Eastern elevens.

The Charlatans will appear in Utica March 9, instead of March 8.

HOCKEY TEAM PLAYS CORNELL TOMORROW

The Buff and Blue sextet will play the strong Cornell team tomorrow afternoon at Ithaca to decide the hockey honors of Central New York. As far as comparative scores go, the teams are very evenly matched. Both Cornell and Hamilton defeated the Massachusetts Aggies by a score of five to three, and Pennsylvania bowed to the Cornell team as they did to Captain Reeder's puck-chasers. The Ithacans tallied up to four points, while Amherst was unable to score. It will be remembered that the result of our game with Amherst was 2 to 1, but Cornell was only able to beat Colgate 3 to 2 as against Hamilton's victory of 8 to 1. Yale managed to conquer the strong Cornell team, running up six goals and holding their opponents to two. Hamilton enjoys the distinction of defeating Cornell in last year's match. The game will be played outdoors, and, the Buff and Blue team counts on a victory.
